Sergeant John Gardner  
DeKalb County Police Department  
4400 Memorial Drive Complex  
Decatur, Georgia 30032

Dear Sergeant Gardner:

Thanks for your 1997 "Click It Or Ticket It" Labor Day Weekend enforcement summary. The summary of citations issued is evident you have conducted another very successful campaign, especially in the area of occupant safety. I trust you and your agency will be able to continue with the same schedule which you have operated under in the past in the area of occupant safety.

John, the leadership you have provided for the STAR Team, and the collaborating which has taken place with Carol Ball and DeKalb County Safe Kids as well as numerous volunteers she has involved, is an exemplary example for all communities to follow for the Safe Communities Campaigns.

I, like you, would liked to have seen the media devote more time to the week prior to Labor Day Weekend. I can assure you we did not receive the statewide media for Hands Across The Border which we have received in the past. Keep doing your outstanding job and be assured we are always available to assist you and your officers in anyway possible.

Sincerely,

  
Randall Townley  
Statewide Coordinator  
Occupant Safety Program
